## COUNCIL COMMUNICATION

**AGENDA TITLE:** Conduct a Public Hearing to consider the Planning Commission's recommendation that the City Council adopt the 2001 Growth Management Allocations.

**MEETING DATE:** March 20, 2002

**PREPARED BY:** Community Development Director

**RECOMMENDED ACTION:** That the City Council adopt the Planning Commission's recommendation to approve the Year 2001 Growth Management Allocations.

**BACKGROUND INFORMATION:** The City Council reviewed and unanimously approved this recommendation of the Planning Commission at the City Council meeting of January 2, 2002. Please refer to the attachments, which include the Council Communication as originally submitted.

Due to an oversight, public hearing notifications were not mailed to 47 of the 73 property owners within a 300-foot radius of the project site. Because of this, a new public hearing of the Planning Commission was required. The Planning Commission reheard and approved the request at their public hearing of February 27, 2002. There were no public comments at this new hearing.

**FUNDING:** None required

H. Dixon Flynn -- City Manager

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Conduct a Public Hearing to consider the Planning Commission's recommendation that the City Council adopt the 2001 Growth Management Allocations.

MEETING DATE: January 2, 2002

PREPARED BY: Community Development Director

RECOMMENDED ACTION: That the City Council adopt the Planning Commission's recommendation to approve the Year 2001 Growth Management Allocations.

BACKGROUND INFORMATION: Each year the City allocates residential building permits for a projected 2% growth in population for the current year. This year the City has 432 residential building permits to allocate. Of the 432 permits, 65% or 281 are for single-family residential units, 10% or 43 are for medium-density residential units such as duplexes and townhouses, and 25% or 108 are for high-density residential units such as apartments. As you will see on the "Planning Commission Recommended Building Permit Allocation Schedule" there is one project at this time requesting 74 single-family allocations, and there are 1,012 available. The number 1,012 is the sum of the 281 allocations from this year and the 741 unused single-family allocations remaining from previous year's allotments and expirations of undeveloped projects. There were no requests for medium or high-density allocations.

In order to obtain building permit allocations, developers submit an application stating the number they are seeking. The number requested corresponds to an approved development plan. Development plans are scored on a set of criteria established by City ordinance. The highest scoring development plans have the greatest chance of receiving their allocation request, the lowest scoring the least chance. This year the number of allocation requests did not exceed the amount available. Competitive scoring, in this instance, did not affect the ability of the development plan to obtain allocations.

Following their Public Hearing, the Planning Commission adopted the Growth Management allocation list below:

	Requested <u>2001 Allocations</u>	Recommended <u>2001 Allocations</u>
Almond Wood Estates	74	74
TOTAL	74	74

- **Almond Wood Estates:** The Almond Wood Estates Development Plan is located at 1640 South Stockton Street. The project is generally located South of Kettleman Lane, north of Almond Street, and east of South Stockton Street (see vicinity map). The area of the development plan includes three separate properties that encompass approximately 14.5-acres of land zoned R-2, Single-Family Residential, and is proposed to develop as a 74-lot, single-family residential subdivision. The Planning Commission recommends to the City Council that this project receive 74 single-family allocations, which is enough to complete the development.

APPROVED: \_\_\_\_\_  
H. Dixon Flynn -- City Manager

The project area was annexed to the City in 1992 as part of the Neuharth North Annexation. The entire area was annexed with the intent of development as single-family residences, which is evident by its low-density residential general plan land use designation and single-family residential zoning. The project is within Priority Area One, which is the highest rank established by the Growth Management Ordinance. Priority Area ranking is based on proximity to existing development and ease of connection to existing utilities.

Each of the parcels of the project site has sat vacant and idle for ten years in anticipation of residential development. The development plan is surrounded by existing development; with the existing United Rentals commercial development to the north, the Colvin Ranch single-family residential subdivision to the south, the Fawnhaven and Noma Ranch single-family residential subdivisions to the east, and developed industrial land across South Stockton Street to the west. .

Given that the development is within Priority Area One and that the project area has been within the City for a decade, staff finds that the proposed residential subdivision is appropriate and essentially an infill development.

An additional project was submitted prior to this year's deadline. That project, generally located on Harney Lane between Mills Avenue and Lower Sacramento Road, has not been presented to the Planning Commission as yet. The applicant is preparing a Traffic Study pursuant to the requirements of the Public Works Department. Staff intends to process this project as soon as it is ready for consideration.

\* 731 allocations from expirations and unused allocations from previous years are available.

## **MEDIUM DENSITY 10%=337 UNITS\***

There are no projects to request the 43, year 2001 allocations for medium density units.

\* 294 allocations from expirations and unused allocations from previous years are available.

## **HIGH DENSITY 25%=1,333 UNITS \***

There are no projects to request the 108, year 2001 allocations for high density units.

\* 1,225 Allocations from the previous years ('89-'00) are available.

NOTE: Due to engineering delays, only one of the two expected development plans was reviewed. We expect to review the Luckey/Luckyard Development Plan early next year.

## MEMORANDUM, City of Lodi, Community Development Department

**To:** Planning Commission  
**From:** Community Development Department  
**Date:** October 10, 2001  
**Subject:** The request of Concord Development Inc. & Allen Liu for approval of the Almond Wood Estates Property Growth Management Development Plan for 74 single-family residences at 1640 South Stockton Street, and a recommendation of approval to the City Council to award 74 building permit allocations.

---

### SUMMARY

The Almond Wood Estates Development Plan is located at 1640 South Stockton Street. The project is generally located South of Kettleman Lane, north of Almond Street, and east of South Stockton Street (see vicinity map). The area of the development plan includes three separate properties that encompass approximately 14.5-acres of land zoned R-2, Single-Family Residential, and is proposed to develop as a 74-lot, single-family residential subdivision.

### BACKGROUND

The City has established a residential growth cap of a 2% population increase per year. In order to provide adequate housing for this projected increase, the City awards residential building permit allocations to project applicants. In order for a developer to receive these allocations they must make an application, which includes a development plan. The development plans are reviewed by staff (Community Development, Public Works, Fire, etc.) for their ability to meet basic engineering, zoning, and land use requirements. The City has a limit on the amount of building permits that can be allocated, and for this reason the projects are competitively scored on 13 different criteria. The criteria are based primarily on a proposed project's location to existing City services. Projects scoring highest may receive a greater recommendation or what can amount to a higher number of allocations than lower scoring projects.

Each year the City allocates residential building permits for a projected 2% growth in population for the current year. This year the City has 432 residential building permits to allocate. Of the 432 permits, 65% or 281 are for single-family residential units, 10% or 43 are for medium-density residential units such as duplexes and townhouses, and 25% or 108 are for high-density residential units such as apartments. As you will see on the "Staff Recommended Building Permit Allocation Schedule" there are two projects, which have requested single-family allocations. The City has received 151 single-family allocation requests and there are 1,012 available.

The project area was annexed to the City as part of Neuharth North Annexation approved in April of 1992. The area was annexed with the intent of development as single-family residences, which is evident by its General Plan land use designation, zoning, and previous project approvals. In 1994 the original development plan became the Lodi Estates Development Plan, which included an additional property and a total of 100-lots. This plan was approved in 1994 and later obtained a tentative subdivision map, which was never finalized and ended up expiring in 1998. During the 1998 Growth Management Allocation Process the Planning Commission expired the Lodi Estates Development Plan, and the City Council subsequently expired the 100 allocations.

This development plan will develop at approximately 5.2 dwelling units per acre with an average lot size of around 5,966 square-feet. The density and lot sizes are consistent with the R-2, single-family zoning of this property and the developments to the south and east. The applicants propose to begin development in early 2002 and anticipate completion of the project within the year 2002.

### ANALYSIS

The Growth Management Ordinance was written to establish orderly development at a rate no greater than two percent per year, and to create competition between projects vying for available building permit allocations. Since the establishment of the Growth Management Ordinance in 1991, the City has grown at an average of 1.2% per year. Given that there are only two small projects this year, there is a surplus of building permit allocations and essentially no competition. As required, the projects have been scored; but pending a recommendation of approval from the Planning Commission and subsequent approval from the City Council, the project will be fully allocated and ready to obtain tentative subdivision maps.

The Almond Wood Estates will be adjacent to the existing United Rentals commercial development to the north, the Colvin Ranch single-family residential subdivision to the south, the Fawnhaven and Noma Ranch single-family residential subdivisions to the east, and developed industrial land across South Stockton Street to the west. The project site will front on South Stockton Street on its west boundary and Almond Drive on its south boundary. Primary access to the project area will be from South Stockton Street at its west boundary, and Almond Drive on the south boundary. Development of this project will enhance access to the existing subdivisions to the east by providing the connection of Elgin Avenue to Stockton Street and a second access point to Almond Drive via the westward extension of Ravenwood Way.

As with all residential subdivisions that rear to a street, the City requires a reverse frontage wall and landscaping. This project will be conditioned to provide a 15-foot area that will contain the curb, landscaping, meandering sidewalk, and 7-foot tall decorative masonry wall on Stockton and Almond. Staff is also recommending what has become the standard residential street design, which includes a parkway and bow-outs at various intersections. Commercial developments rearing to residential zones are required to screen themselves from residences; however, in this situation they existed prior to the land being designated residential. For this reason, the development plan is conditioned to provide an 8-foot tall decorative masonry block wall along its northern boundary.

This project is within Priority Area One. Priority Areas One, Two and Three were established with the adoption of the Growth Management Ordinance and were ranked based on proximity to existing development and the ability to connect to existing utilities. There is about 85.19-acres of the original 473-acres of Priority Area One land remaining. There is approximately 47.52-acres of Priority Area One contained in 11 parcels to the south of the Sunwest Shopping Center fronting Lower Sacramento Road, about 18.22-acres contained in four parcels at the southeast corner of Lodi Fronting Harney Lane and Cherokee Lane, and 19.45-acres of the 5 parcels in and adjacent to this project area. The remaining Priority Area One land South of Wal-Mart on Lower Sacramento Road and the corner of Cherokee and Harney is not within the City Limits. Given that the development is within Priority Area One and that the project area has been within the City for a decade, staff finds that the proposed project is appropriate and essentially an infill development.

#### RECOMMENDATION

Staff recommends that the Planning Commission approve the Almond Wood Estates Development Plan, and recommend approval of the requested allocations to the City Council, subject to the conditions set forth in the attached Resolution.

#### ALTERNATIVE PLANNING COMMISSION ACTIONS

- Approve the Almond Wood Estates Development Plan with Alternate Conditions
- Deny the Development Plan
- Continue the Request

Respectfully Submitted,

Mark Meissner  
Associate Planner

**CITY OF LODI  
PLANNING COMMISSION  
Staff Report**

---

**MEETING DATE:** October 10, 2001

**APPLICATION NO:** Growth Management Development Plan GM-01-001

**REQUEST:** The request of Concord Development Inc. & Allen Liu for approval of the Almond Wood Estates Property Growth Management Development Plan for 74 single-family residences at 1640 South Stockton Street, and a recommendation of approval to the City Council to award 74 building permit allocations.

**LOCATION:** 1640 South Stockton Street (APN's: 062-060-04, 12 & 13)

**APPLICANT:** Concord Development Inc. & Allen Liu  
158 Jackson Street  
San Jose, CA 95112

**OWNER:** Same as Applicant

**Site Characteristics:** The project area is currently vacant in anticipation of development. The area is entirely within the City limits of Lodi. The area to the north is a heavy equipment rental and construction materials center. To the west across South Stockton Street is a developed industrial area. To the east of the project site is a mature single-family residential subdivision zoned R-2, single-family. To the south of the project site is a newly developed single-family residential subdivision zoned R-2, Single-Family Residential. The project site fronts on South Stockton Street along its western boundary and Almond Drive on its southern boundary. The project site is relatively flat with no unusual or extraordinary topographic features.

**General Plan Designation:** LDR, Low-Density Residential

**Zoning Designations:** R-2, Single Family Residential

**Property Size:** 14.5 acres

**Adjacent Zoning and Land Use:**

**North:** C-M, Commercial Light Industrial & C-2, General Commercial; GC, General Commercial.

**South:** R-2, Single-Family Residential; LDR, Low Density Residential.

**East:** R-2, Single-Family Residential; LDR, Low Density Residential.

**West:** M-2, Heavy Industrial; HI, Heavy Industrial.

**Neighborhood Characteristics:**

To the north is a heavy equipment, tools rental, and bulk construction materials yard; and also a recreational vehicle sales lot. To the west of the project site are various heavy industrial uses including a towing yard, auto repair, cable TV switching facility, and miscellaneous warehouse

uses. To the east of the southern two thirds of the project site is a 4,356 square foot residential lot with a home fronting Almond Drive, and a 4.89-acre residential lot with a home and other small buildings also fronting Almond Drive. To the east of the northern third of the project site are the Fawnhaven and Noma Ranch single-family residential subdivisions approved in 1984 and 1986. To the south of the project site is the fully developed Park Place Community or what was originally the Colvin Ranch single-family residential subdivision approved in 1992. The project site fronts on South Stockton Street along its western boundary and Almond Drive on its southern boundary.

**ENVIRONMENTAL ASSESSMENTS:**

Negative Declaration ND-01-06 was prepared for this project. No significant impacts are anticipated; however, mitigation measures have been required.

**PUBLIC HEARING NOTICE:**

Legal Notice for the Development Plan was published on September 29, 2001. A total of 26 notices were sent to all property owners of record within a 300-foot radius of the subject property.

**RECOMMENDATION:**

Staff recommends that the Planning Commission approve the request of Concord Development Inc. & Allen Liu for the Almond Wood Estates Property Growth Management Development Plan for 74 single-family residences at 1640 South Stockton Street, and recommend approval to the City Council to award 74 building permit allocations, subject to the conditions set forth in the attached resolutions.

**ALTERNATIVE PLANNING COMMISSION ACTIONS:**

- Approve the Almond Wood Estates Property Development Plan with Alternate Conditions
- Deny the Development Plan
- Continue the Request

## **Draft Minutes from October 10, 2001**

### **PUBLIC HEARING**

The request of Concord Development Inc. & Allen Liu for approval of the Almond Wood Estates Property Growth Management Development Plan for 76 single-family residences at 1640 South Stockton Street, and a recommendation of approval to the City Council to award 76 building permit allocations. Associate Planner Meissner presented the matter to the Commission. This year the City had 432 building permits to allocate. Of the 432 permits, 281 were for single-family units. The subject project was the only one requesting allocations. The area of the Development Plan included three separate properties encompassing about 14.5 acres of land zoned R-2. The major access to the subdivision will be from South Stockton Street and Almond Drive. The subdivision would develop approximately 5.2 dwelling units per acre with an average lot size of 6,000 square feet. Proposed development will begin in early 2002. A few conditions for the project were a 7-foot-high decorative masonry wall along Stockton and Almond Streets with a 15-foot-deep landscaped area containing a meandering sidewalk, landscaped parkways, and bow-outs at the Elgin and Ravenwood intersections. An 8-foot-tall decorative masonry block wall along the project northern boundary to separate the residences from the commercial area was also being required. Staff was recommending approval of the project.

Commissioner Heinitz asked about sewer and water services for the project. Community Development Director Bartlam replied the project would be connected to the existing water & sewer systems. The water supply will be addressed at the tentative map stage.

Commissioner Phillips asked if Lodi Unified School District had any land reserved for a school site within the proposed project. Community Development Director Bartlam responded "no" but Richard's Ranch, which is located nearby, did have a school site.

### **Hearing Opened to the Public**

Troy Wright, 2880 Tracy Blvd, Tracy, CA. Mr. Wright represented Concord Development. He was concerned about item 6 (d) on the Resolution regarding the construction of a temporary turnaround south of Lots 17 and 18. He wanted to speak with the adjacent property owner to the south to see if he could obtain an easement from them to allow the construction of the temporary turnaround. He asked if there were funds available for the wall being required between the residential development and the commercial business located next to the proposed project. Community Development Director Bartlam replied that the City would not subsidize the wall that was being required.

Commissioner Heinitz asked why the turnaround was being required on lots 17 & 19. Associate Planner Meissner stated that since the street was so short, the fire engines needed a place to turnaround.

Curtis Jenkins, 1537 Fawnhaven Way, Lodi. Mr. Jenkins had no problem with the proposed project. He was concerned about a neighboring property that had been posted due to it being a potential fire hazard, yet the owner had done nothing. He mentioned that other surrounding vacant land needed to be cleaned up also.

Commissioner McGladdery suggested that the Resolution require the turnaround only when homes are built on lots 16, 17, 18 & 19. Community Development Director Bartlam felt that the language could be modified on the Resolution to resolve the turnaround issue.

The Planning Commission on motion of Commissioner McGladdery, Beckman second approved the request of Concord Development Inc. & Allen Liu for approval of the Almond Wood Estates Property Growth Management Development Plan for 76 single-family residences at 1640 South Stockton Street, and a recommendation of approval to the City Council to award 76 building

permit allocations with added language to 6 (d) of the Resolution to read, "At the time lots 16, 17, 18, or 19 are developed, the developer shall obtain an easement from the adjacent parcel owner to allow construction of the temporary turnaround south of Lots 17 and 18; or, the project layout shall be reconfigured to accommodate the required access and maneuvering room for fire protection equipment within the project boundaries using standard street designs" by the following vote:

AYES: Commissioners: Beckman, Crabtree, Heinitz, McGladdery, and Phillips,

NOES: Commissioners:

ABSENT: Commissioners: Mattheis

ABSTAIN: Commissioners

**RESOLUTION NO. PC. 02-05**

**A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF LODI  
APPROVING THE REQUEST OF CONCORD DEVELOPMENT, INC. & ALLEN LIU FOR  
THE ALMOND WOOD ESTATES PROPERTY GROWTH MANAGEMENT  
DEVELOPMENT PLAN AT 1640 SOUTH STOCKTON STREET.**

WHEREAS, the Planning Commission of the City of Lodi has heretofore held a duly noticed meeting, as required by law, on the requested development plan to create the Almond Wood Estates Property Development Plan in accordance with City Ordinance number 1521; Resolution number 91-170.

WHEREAS, the project proponent is Concord Development, Inc. & Allen Liu, 158 Jackson Street, San Jose, CA 95112;

WHEREAS, all legal prerequisites to the approval of this request have occurred;

WHEREAS, the property is zoned R-2, Single-Family Residential;

WHEREAS, the property is located at 1640 South Stockton Street  
(APN's 062-060-04, 12 & 13).

NOW, THEREFORE, BE IT FOUND, DETERMINED AND RESOLVED by the Planning Commission of the City of Lodi as follows:

1. Negative Declaration File No. ND-01-06 has been prepared in compliance with the California Environmental Quality Act of 1970, as amended, and the Guidelines provided thereunder.
2. It is found that approval of the development plan will result in good planning practice.
3. It is hereby found that neither the design nor planned improvements are likely to cause substantial environmental damage or substantially and unavoidably injure fish or wildlife or their habitat.
4. It is hereby found that the development plan is unlikely to cause public health problems.
5. It is further found that approval of the development plan will not conflict with easements acquired by the public at large for access through or use of the property within the proposed parcel.
6. Growth Management Application No. GM-01-001 is hereby approved, subject to the following conditions:
  - a. An 8-foot high decorative block wall shall be constructed along the northern boundary of the development plan to separate the residences of this development plan from the commercial properties to the north.
  - b. The alternative street design with parkway should be used in this development. Street rights-of-way (R/W) and curb-to-curb (c-c) street widths shall be as follows:
    - i. Elgin Avenue: 55' R/W; 34' c-c.
    - ii. Ravenwood Way: 55' R/W; 34' c-c.
    - iii. New north-south street parallel to Stockton Street:
      1. Almond Drive to Ravenwood Way: 60' R/W; 39' c-c.
      2. Ravenwood Way to Elgin Avenue: 50' R/W; 30' c-c.

- iv. New north-south street parallel to Fawnhaven Way: 50' R/W; 30' c-c.
- c. Traffic calming measures should be provided in the form of bow-outs at the Elgin Avenue and Ravenwood Way intersections.
- d. At the time lots 16, 17, 18, or 19 are developed, the developer shall obtain an easement from the adjacent parcel owner to allow construction of the temporary turnaround south of Lots 17 and 18; or, the project layout shall be reconfigured to accommodate the required access and maneuvering room for fire protection equipment within the project boundaries using standard street designs.
- e. If this project is developed in phases, the following improvements shall be constructed with the first phase:
  - i. All street and public utility improvements on Stockton Street and Almond Drive, including under grounding of existing overhead utilities and installation of a reverse frontage wall, landscaping and irrigation.
  - ii. Traffic striping modifications in Stockton Street.
- f. Reverse frontage walls, landscaping and irrigation improvements are required on Stockton Street and Almond Drive and shall be constructed by the developer at the developer's expense to the approval of the Public Works Director and Community Development Director. The design of the wall shall be compatible with the existing reverse frontage walls on adjacent developments. The developer shall provide for on-going maintenance and replacement of the wall, landscaping and irrigation improvements using one of the options listed below as approved by the City Council on September 15, 1999:
  - i. One-time, lump sum payment: The improvements shall be publicly owned and the developer shall make a lump sum prepayment to the City for on-going maintenance. The current fee is \$49 per lineal foot. The fee required will be the fee in effect at the time of final map filing.
  - ii. Homeowner's Association: The improvements shall be privately owned and the developer shall form a Homeowners Association, which will assess and collect fees from homeowners to pay for future maintenance costs.
  - iii. Formation of a 1972 Act Landscape and Lighting District.

Dated: February 27, 2002

I hereby certify that Resolution No. 02-05 was passed and adopted by the Planning Commission of the City of Lodi at its meeting held on February 27, 2002, by the following vote:

**RESOLUTION NO. P.C. 02-06**

**A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF LODI  
RECOMMENDING APPROVAL TO THE CITY COUNCIL OF THE BUILDING  
PERMIT ALLOCATION SCHEDULE FOR 2001.**

WHEREAS, the Planning Commission of the City of Lodi has heretofore held a duly noticed meeting on the Growth Management Development Plan Allocation Schedule which includes Growth Management Application Numbers GM-01-001 & 2, in accordance with City Ordinance number 1521, and Resolution number 91-171.

WHEREAS, the project areas are made up of the following properties:  
1640 South Stockton Street & 1041 East Harney Lane.

WHEREAS, all legal prerequisites to the approval of this request have occurred.

NOW, THEREFORE, BE IT RESOLVED by the Planning Commission of the City of Lodi as follows:

1. Negative Declarations have been prepared in compliance with the California Environmental Quality Act of 1970, as amended, and the Guidelines provided thereunder. Further, the Commission has reviewed and considered the information contained in these Negative Declarations with respect to the projects identified in this Resolution.
2. The Planning Commission hereby recommends to the City Council, approval of a resolution adopting the Building Permit Allocation Schedule 2001 as identified in this Resolution.

Dated: February 27, 2002

I hereby certify that Resolution No. 02-06 was passed and adopted by the Planning Commission of the City of Lodi at a regular meeting held on February 27, 2002, by the following vote:

# STAFF RECOMMENDED BUILDING PERMIT ALLOCATION SCHEDULE 2001

TOTAL RESIDENTIAL UNITS TO BE ALLOCATED FOR 2001 = 432

## **SINGLE FAMILY 65%=1,012 UNITS \***

PROJECT	NO. TENTATIVE MAP UNITS	NO. FINAL MAP UNITS	ALLOCATIONS RECEIVED '89-'98	ALLOC. NEEDED TO COMPLETE	REQUESTED ALLOC. 2000	RECOMMENDED ALLOC. 2000
ALMOND WOOD ESTATES	0	0	0	74	74	74
	0	0	0	74	74	74

\* 731 allocations from expirations and unused allocations from previous years are available.

## **MEDIUM DENSITY 10%=337 UNITS\***

There are no projects to request the 43, year 2001 allocations for medium density units.

\* 294 allocations from expirations and unused allocations from previous years are available.

## **HIGH DENSITY 25%=1,333 UNITS \***

There are no projects to request the 108, year 2001 allocations for high density units.

\* 1,225 Allocations from the previous years ('89-'00) are available.

NOTE: Due to engineering delays, only one of the two expected development plans is being reviewed at this time. We expect to bring the Luckey/Lackyard Development Plan to the Planning Commission before the end of this year.

MINUTES  
LODI CITY PLANNING COMMISSION  
CARNEGIE FORUM  
305 WEST PINE STREET  
LODI, CALIFORNIA

**WEDNESDAY**

**February 27, 2002**

**7:00 P.M.**

The Planning Commission met and was called to order by Chairman Crabtree.

Commissioners Present: Randall Heinitz, Tim Mattheis, David Phillips, Jonathan McGladdery, Dennis White, and Chairman Crabtree.

**ROLL CALL**

Commissioners Absent: John Beckman

Others Present: Konradt Bartlam, Community Development Director, Mark Meissner, Associate Planner, and Lisa Wagner, Secretary.

The minutes of January 23, 2002 were approved as mailed.

**MINUTES**

**January 23, 2002**

**Public Hearings**

**The request of Harbhajan S. Sheargill for approval of a Use Permit to establish a Type #41 On-Sale Beer and Wine liquor license at 2525 South Hutchins Street, Unit #11.**

Associated Planner Meissner presented the item to the Commission. The proposed project was to establish a new beer and wine liquor license at a new pizza restaurant named "Tokay Pizzeria," a sit-down restaurant with an occupancy load of 70, approximately 1,920 square-feet in size, and is located in the English Oaks Shopping Center. The type of license requested allows for the sale of beer and wine as a restaurant with no distilled spirits and minors are allowed on the premises. The proposed hours of operation were Monday through Thursday and Sunday from 8:00 a.m. to midnight, and Friday and Saturday from 8:00 a.m. to 1:00 a.m. The applicant requested a change to everyday from 8:00 a.m. to 1:00 a.m.; however, staff did not support the request. Both ABC and the Police Department were not opposed to the issuance of the liquor license. Staff was recommending approval of the request.

Chairman Crabtree asked if the hours of operation were part of the Resolution or part of the permit. Mr. Meissner responded that they were not included as a condition in the Resolution; however, they could be added in necessary. Chairman Crabtree also asked if the hours of operation were consistent with other pizzerias in town. Mr. Meissner replied that he did not check the hours of operation of other pizzerias. He felt the hours of operation being approved were reasonable.

**Hearing Opened to the Public**

No one came forward to speak.

**Hearing Closed to the Public**

The Planning Commission on motion of Commissioner Mattheis, McGladdery second, approved the request of Harbhajan S. Sheargill for approval of a Use Permit to establish a Type #41 On-Sale Beer and Wine liquor license at 2525 South Hutchins Street, Unit #11, with an added condition to the Resolution to read "the hours of operation shall be limited to Monday through Thursday and Sunday from 8:00 a.m. to midnight and Friday and Saturday from 8:00 a.m. to 1:00 a.m." by the following vote:

AYES: Commissioners: Heinitz, Mattheis, McGladdery, Phillips, White and  
Chairman Crabtree  
NOES: Commissioners:  
ABSENT: Commissioners: Beckman  
ABSTAIN: Commissioners

**The request of Concord Development Inc. & Allen Liu for approval of the Almond Wood Estates Property Growth Management Development Plan for 74 single-family residences at 1640 South Stockton Street, and a recommendation of approval to the City Council to award 74 building permit allocations.** This item was presented to the Commission by Associate Planner Meissner. The area for development included 3 separate parcels encompassing about 14 ½ acres and is zoned R-2. Access to the development is from South Stockton Street at Elgin and off of Almond Drive with connections to the existing subdivision to the east from Elgin and a future extension to Ravenwood Way. The subdivision will develop at approximately 5.2 dwelling units per acre with an average lot size of 6,000 square feet. There will be a 7-foot-high decorative masonry wall along Stockton and Almond Streets with a 15-foot-deep landscaped area containing a meandering sidewalk, landscaped parkways, and bow-outs at the Elgin and Ravenwood intersections. Staff was recommending approval of the project.

Commissioner Mattheis asked if the project would be using the reverse frontage condition and the new street standard. Mr. Bartlam responded that the reverse frontage condition would be used along S. Stockton Street and the new street standard would be used within the new subdivision.

#### **Hearing Opened to the Public**

No one came forward to speak on the matter.

#### **Hearing Closed to the Public**

The Planning Commission on motion of Commissioner McGladdery, Heinitz second, approved the request of Concord Development Inc. & Allen Liu for approval of the Almond Wood Estates Property Growth Management Development Plan for 74 single-family residences at 1640 South Stockton Street, and a recommendation of approval to the City Council to award 74 building permit allocations with the condition that the Resolution read in accordance with page 2 of the October 10, 2001 minutes of the Lodi City Planning Commission by the following vote:

AYES: Commissioners: Heinitz, Mattheis, McGladdery, Phillips, White and  
Chairman Crabtree  
NOES: Commissioners:  
ABSENT: Commissioners: Beckman  
ABSTAIN: Commissioners

## **PLANNING MATTERS**

Maime Starr, Assistant Superintendent Facilities & Planning for Lodi Unified School District, addressed the Commission regarding School Facilities. Currently there are 41 different schools (Elementary, Middle, & High School), 8 specialized schools, and 5 support facilities. They have over 616 acres of property within the district and have over 1.7 million square feet of building area. They have over 1000 classrooms, 400 of these are portable buildings. The district currently owns 5 school sites that they are hoping to put facilities on and other sites are in process. They will be depending on bond funds to help fund these facilities. They have over 28,000 students in the district and they have a 5200-seat shortage; which is dealt with by keeping the schools on Concept 6 (year round school). The district would like to get all schools on the 180 days a year program (traditional). Ms. Starr stressed the importance of Measure K passing, so the district's needs could be met.

### **Announcements**

Mr. Bartlam noted that the comment period had ended for the ProStyle Sports EIR and over 200 comments were received. The consultant is in the process of responding to all the comments received and was hopeful that the final EIR will go before the City Council in May 2002.

### **ADJOURNMENT**

As there was no further business to be brought before the Planning Commission, Chairman Crabtree adjourned the session at 7:40 p.m.

Respectfully submitted,

Lisa Wagner  
Administrative Secretary

RESOLUTION NO. 2002-56

A RESOLUTION OF THE LODI CITY COUNCIL RESCINDING  
RESOLUTION NO. 2002-04, AND HEREBY APPROVING THE  
2001 GROWTH MANAGEMENT ALLOCATIONS

WHEREAS, the City Council adopted Resolution No. 2002-04 at its meeting of January 2, 2002 approving the 2001 Growth Management Allocations; and

WHEREAS, due to a procedural oversight, this matter was required to be returned back to the Planning Commission and City Council for further review and public hearing; and

WHEREAS, the City Council held a second public hearing on March 20, 2002 to receive public input on the proposed 2001 Growth Management Allocations.

NOW, THEREFORE, BE IT RESOLVED, that the Lodi City Council does hereby rescind Resolution No. 2002-04; and

BE IT FURTHER RESOLVED, that the Lodi City Council does hereby approve the 2001 Growth Management Allocations as recommended by the Lodi Planning Commission, as shown as follows:

	<u>Requested 2001 Allocations</u>	<u>Recommended 2001 Allocations</u>
Almond Wood Estates	74	74

# Afghan

protest harassment and exploitation.

Around the world, women demonstrated for peace and to demand greater rights. In the Afghan capital, women attending a women's day ceremony shed head-to-toe burqas to celebrate newfound freedoms, but most put them back on when the event was over.

Afghanistan's government and the United Nations staged events all week to highlight the challenges and opportunities facing women after the fall of the Taliban.

Interim leader Hamid Karzai, U.N. human rights chief Mary Robinson and other dignitaries shared a podium in a bombed-out former cinema to celebrate the occasion Friday. Four little girls released white doves into the air and a woman chanted verses from the Quran, the Muslim holy book.

Speaker after speaker spoke of the hardships of being a woman in Afghanistan, but said a better future is at hand.

"We want every Afghan girl to have a pen and book in her hands and go to school," declared Sima Samar, the minister of women's affairs.

During the Taliban regime from 1996-2001, women were not allowed to leave their homes unless they were accompanied by a close male relative and were banned from working except in health care. Schools for girls over age 8 were closed.

The new government has two female Cabinet ministers and has reopened schools and the workplace to women.

"This is a time of hope for women and girls ... a new beginning," Robinson told the crowd of several hundred.

Sixty women who had met to discuss how to ensure a female role in rebuilding Afghanistan recommended that at least a quarter of the grand council — or loya jirga — to be convened in June be reserved for women. The council will chose a government to rule until 2003 elections.

## **DECLARATION OF MAILING**

### **SET PUBLIC HEARING FOR MARCH 20, 2002** **Consider Planning Commission recommendation that Council adopt the 2001** **Growth Management Allocations**

On March 7, 2002 in the City of Lodi, San Joaquin County, California, I deposited in the United States mail, envelopes with first-class postage prepaid thereon, containing a notification of public hearing to be held on March 20, 2002 regarding Planning Commission recommendation that Council adopt the 2001 Growth Management Allocations, marked Exhibit "A"; said envelopes were addressed as is more particularly shown on Exhibit "B" attached hereto.

There is a regular daily communication by mail between the City of Lodi, California, and the places to which said envelopes were addressed.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on March 7, 2002, at Lodi, California.

ORDERED BY:

**SUSAN BLACKSTON**  
**CITY CLERK, CITY OF LODI**

**NOTICE OF PUBLIC HEARING**

Date: March 20, 2002

Time: 7:00 p.m.

For information regarding this notice please contact:

**Susan J. Blackston**  
City Clerk  
Telephone: (209) 333-6702

**EXHIBIT A**

**NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that on **Wednesday, March 20, 2002** at the hour of 7:00 p.m., or as soon thereafter as the matter may be heard, the City Council will conduct a Public Hearing at the Carnegie Forum, 305 West Pine Street, Lodi, to consider the following matter:

- a) Planning Commission's recommendation that the City Council adopt the 2001 Growth Management Allocations.

Information regarding this item may be obtained in the office of the Community Development Department Director, 221 West Pine Street, Lodi, California. All interested persons are invited to present their views and comments on this matter. Written statements may be filed with the City Clerk at any time prior to the hearing scheduled herein, and oral statements may be made at said hearing.

If you challenge the subject matter in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice or in written correspondence delivered to the City Clerk, 221 West Pine Street, at or prior to the Public Hearing.

By Order of the Lodi City Council:

Susan J. Blackston  
City Clerk

Dated: March 6, 2002

Approved as to form:

Randall A. Hays  
City Attorney
